Regional Trainings in February & March

### Job Openings

BAA is currently hiring! Learn more about our open positions, including Training Specialists, Training Coordinators and Support staff, go to our website: <http://bayareaacademy.org/about-us/job-opportunities/>

## Core 3.0 Vetting for Stakeholders

Join key stakeholders throughout California to learn more about the proposed content for Core 3.0 content via 60-minute webinars where you'll hear an overview of the content and have a chance to ask questions. Register for one of the following:

### *Foundation Block*

February 22, 2016 @ 3:30-4:30    February 23, 2016 @ 10:00-11:00  
February 23, 2016 @ 1:00-2:00

## Core 3.0 Engagement Block Pilot

BAA is seeking two participants from each of the 12 Bay Area counties to participate in the Core 3.0 Engagement Block Pilot in Oakland. Ideal participants include: lead workers, supervisors, staff development partners and/or agency leaders. The commitment includes:

- Completing 3 eLearning modules between March 21 and April 1
- Participate in 2 Classroom trainings on April 5 and 6
- Provide feedback at a half-day session on April 7

BAA requests county commitment submitted to the BAA Registrar by March 1, 2016 (email [baaregistrar@gmail.com](mailto:baaregistrar@gmail.com))

## Field Advisor Corner

On January 28, BAA provided a Field Activities technical assistance and informational webinar, which provided:

- The role of the Field Advisor
- The requirements for becoming a Field Advisor
- The requirements as a Field Advisor
- How BAA will support Field Advising and capacity building activities with counties

Review the recorded webinar [here](#). Remember, BAA can provide technical support and capacity building support to counties as they implement the Field Activities component of Core 3.0. Please contact Karri Biehle at BAA for more info. [kbiehle@csufresno.edu](mailto:kbiehle@csufresno.edu)

## The Assessment Block is here!

All Core cycles offered by BAA from January 2016 forward will include the Assessment Block and associated Field Activities. The schedule of Core classes for Phase 1 in 2016 will be as follows:

### Recommended Order of Delivery (9.5 Classroom Training Days, 3 eLearning Trainings, 2 Field Activities)

Framework (1-day Classroom training)

Basic Interviewing (1-day Classroom training)

Intro to Child Development (60-minute eLearning)

Critical Thinking & Assessment (.5-day Classroom training)

Overview of Assessment Procedures (120-minute eLearning)

SDM Skills Lab (1.5-day Classroom training)

Assessing for Key Child Welfare Issues (.5-day Classroom training)

Completing Assessment Tools (2-hour Field Activity)

CMI (120-minute eLearning)

CMI Skills Lab (1-day Classroom training)

Family Engagement in Case Planning (2-day Classroom training)

Collaborative Assessment, Planning & Support: Safety and Risk in Teams (3-hour Field Activity)

Permanency & Placement (2-day Classroom training)

## Field Advisor Training Dates

February 16 - Oakland

March 2 - Oakland

March 29 - San Jose

April 20 - Oakland

May 17 - Oakland

June 21 - Redwood City

\*eLearning training must be completed prior to the classroom training. Once a participant registers for the Field Advisor Training, they will automatically be registered for the eLearning.
