

The Bay Area Academy presents

Federal Case Review Learning Collaborative Sessions

All Bay Area county Federal Case Reviewers are invited to join this Learning Collaborative facilitated by the Bay Area Academy. Regardless of where you are in the certification process, all who've attended the Federal Case Review 4-day training are welcome to participate!

At each Learning Collaborative session, participants can expect to:

- Continue teaming and collaborating as Reviewers in the region
- Hear a case presentation from another Reviewer
- Connect with other Reviewers to exchange ideas, challenges and solutions
- Discuss Reviewers' training needs and determine future training needs
- Create a plan for the next Learning Collaborative sessions
- Hear from CDSS Consultants with the opportunity to ask questions

Join us for a day of professional networking and advancement. Lunch will be provided.

No charge for trainings. All trainings are provided to help meet the Federal Review and AB636 Outcomes of Safety, Permanence and Well Being.
