

## **Federal Case Reviewers' Learning Collaborative Notes**

2201 Broadway, Oakland – BAA Training Room

February 24, 2017 / 10am-3pm

### **Counties Present**

- Santa Cruz
- San Francisco
- Monterey
- Sonoma
- Contra Costa
- Alameda
- Santa Clara
- San Mateo
- Marin
- Solano

### **General Updates**

- Possible location change for 5/10/17 Learning Collaborative – you'll be notified via email.
- Case Review 4-day in the Bay Area took place in January. The next 4-day will be trained in June in Madera and it will be the revised version of the training materials.

### **State of the State Updates**

- Every county now has a Case Review Consultant at CDSS. If you haven't heard from your Consultant, email the Case Review inbox.
- PIP findings just came out; most of the data is coming from Case Reviews. The information will drive how the PIP strategies are developed moving forward.
- California's strategies for the PIP will be determined by April.
- Results from the PIP is out; there's a draft that's floating around. Results are broken down into seven goals and each goal has a number of strategies and activities.
- The CFSR is every three years; Case Review cases will be pulled randomly between now and the next CFSR.

### **County Updates – questions asked:**

- What's something you've learned that would be good for other Case Reviewers to know?
- What Case Review challenge have you recently faced in your county and how was it resolved?

### **Quarterly Findings presentation for Leadership by Sonoma**

- See powerpoint
- Request for template and redacted report
- Request for "Content Analysis for Dummies"

### **CDSS Group QA Presentation by Heather Pankiw**
