2600 Tenth Street, Berkeley – BAA Training Room
August 9, 2017 / 10am-3pm

Meeting Notes

Welcome, Introductions, Overview of the Day, Ice Breaker

State of the State

- Revised 4-day training curriculum and piloted the materials in June; the 4-day training in September in Davis will utilize the updated curriculum.
- The QA training on 9/14 will be the un-revised version. People should not attend for a refresher.
- The PIP has not yet been approved; once that happens, a presentation will take place at the Case Review Learning Collaborative.
- The PIP includes an item related to ensuring Case Review is fully implemented throughout the state.
- Assessments for each county's structure and fulfillment of FTE Case Reviewers will be determined based on conversations with each county's state consultant.

County Updates did not occur due to Q&A with Julie Cockerton from CDSS
